

A good meeting will only get better at Holberggaard.

The differences between a good meeting and a great one, hinges on the small details.

Holberggaard is located in an idyllic rural part of Denmark, surrounded by nature and fresh air.

Our kitchen is sublime, utilizing a mix of locally grown crops and herbs, freshly caught fish and meat from free-roaming animals. It is truly a one of a kind experience. We have outdoor seating and serving next to our natural freshwater pond when the weather allows it, and the adjoining garden, with a great view of the sea at Storstrømmen, invokes a feeling of being at peace with nature. We have room for 70 guests in our largest conference room, and 15 in the smallest, with plenty of extra rooms for group work. If your group needs to spend the night, we can accommodate that as well. And let us not forget to mention our staff of dedicated professionals who are catering to the wellbeing of our guests. Holberggaard is in every way unique, memorable and ideal for meetings, conferences and seminars.
